**AUSTRIAN INSTITUTE FOR INTERNATIONAL AFFAIRS (OIIP)  
BERGGASSE 7, 1090 VIENNA**

Please register by e-mail: [alas@oiip.at](mailto:alas@oiip.at)

*The panel discussion will explore current questions regarding transatlantic relations and the approach to finding global solutions. Are traditional transatlantic relations that are based on a common threat, economic interdependence and common values better suited to address global questions? Or is Europe's role in the world, and specifically in relation to the U.S., contingent on its contribution to world affairs? Is an approach of "engaging" partners, competitors, and potential rivals the right approach?*
